What Happens If You Don't Enrol?

Full-time employees

For Newly Eligible Employees: you will automatically be enrolled in Core coverage without dependants and Premium LTD coverage (until the next annual benefits re-enrolment, unless you experience a qualifying Life Event).

During Annual Re-enrolment: your current choices will remain in place and any Unspent Flex Dollars will automatically be allocated to your HCSA at Medavie Blue Cross.

Part-time employees

For Newly Eligible Employees: you will not have *YouFlex* benefits coverage and will have to requalify for coverage at a later date.

During Annual Re-enrolment: your current choices will remain in place and any unspent Flex Dollars will automatically be allocated to your HCSA at Medavie Blue Cross.

Quebec residents

Part-time Employees and Newly Eligible Full-time Employees: you will be enrolled in Core coverage without dependants until the next annual benefits re-enrolment, unless you experience a qualifying Life Event. It is your responsibility to ensure that you and your eligible dependants are registered for coverage under *YouFlex*, unless covered elsewhere. Full-time employees will also automatically be enrolled in Premium LTD.

GOOD TO KNOW

Health Care Spending Account

You can receive reimbursement from your Health Care Spending Account (HCSA) for health and dental expenses not covered under:

- *YouFlex*;
- Your spouse's plan; or
- Your provincial health care plan.

Eligible expenses include things like deductibles, amounts above the plan maximums and more.

Check out the list of what's eligible on the Canada Revenue Agency (CRA) website.

Medical Second Opinion

Medavie Blue Cross' Medical Second Opinion program provides employees and eligible family members diagnosed with an eligible serious medical condition the opportunity to have their medical files, diagnosis and treatment plan reviewed by a world class medical institution chosen specifically based on the condition.

The Second Opinion package includes the specialist's report, medical files and educational materials.
